Kim, yes, I have the emails in my outlook and will add the dates on Monday.
Mike, you don't have an email because I gave you the hard copy to review with Becky. Since it's for your signature, I think you just need to sign it and have Kim scan and put on our correspondence folders on the H;Drive.
Kim, when Mike signs, please sent me and email with an electronic copy.
Thank you.

Amy, I added the concurrence box to the file copy. Without concurrence dates.
Will you or Mike manually enter the concurrence dates? It's in Mike's inbox.
